

Do you hear the people sing?

THINGS THAT MAKE YOU A BETTER MUSICIAN

THINGS THAT MAKE YOU A BETTER PERSON

notes from sherri

Start warming up your engines! Time to get your voices humming! We're less than a month from our first rehearsal and it's going to be an exciting semester! Powerful and beautiful music, awesome collaboration with Harambee, and getting psyched for the Sister Singers Festival in July.

SSN FESTIVAL - EARLY BIRD REGISTRATION is now open! (Link is above this newsletter.) We need enough people (at least 12), in order to perform at the festival. Guaranteed to be awesome, fun and inspiring!

URGENT - a PIANIST and SINGERS NEEDED! Sharon sent out our Pianist job listing. Please post at your schools and churches, and spread the word. Thank you!! Also, with the new session starting, spread the word we need singers - post on social media. I encourage bribes as you see fit.

Does anyone have photos of the Dec concert to share?

GET READY!
FIRST REHEARSAL,
FEBRUARY 8
5:45 pm

Since we'll have social time at our retreat, the first rehearsal will be digging into making music (and fun!).

This season's pieces, concert order, and rehearsal schedule are on our Members' Page (password: 2026).

Pleeeeeeease check it out and start listening to the performance links. I've uploaded a complete YouTube playlist (link on that page) for one-click to all songs. Get ready for some powerful singing!

Next!

Jan 31 - our B&R retreat!

**Saturday, Jan 31, 10am-4pm,
at Westminster Presbyterian Church**

While the B&R RETREAT is optional, I'm hoping you won't think of it that way. It's important that we use this retreat to really get to know each other - rehearsals are pressed for time and just don't allow for the personal bonding that enhances solid vocal blend, support, and solidarity.

PLUS, there will be:

- vocal strengthening session
- breathwork session
- SSN Festival news
- Fun, laughs, & food
- YOUR INPUT on B&R's future
- Did I mention cool swag? Exclusive for this retreat.

(and bring your black folders, please!)
